

# RETRACTABLE POWER SCREENS

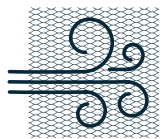

SUNCOAST  
ENCLOSURES™

## ABOUT SUNCOAST RETRACTABLES

Suncoast has been manufacturing outdoor products for over 30 years. Randie James started Suncoast Enclosures out of his home in Sherwood Park Alberta in 1991. Suncoast has now grown into a large network of corporate offices and dealers spanning across Canada and the United States.

All of our products have been tested and proven in the most harsh climates. We work with industry experts to remain on the cutting edge of technology while maintaining the highest quality available.

## FEATURES & RATINGS

- Highest quality mesh. We provide screens for every application (Sun, Wind, Privacy, Bugs, Warmth)
- Screens and vinyl withstand wind up to 100 kph in closed position
- Intelligent motors that detect wind and obstacles
- Our housings and tracks are high quality extruded aluminum with a powder coated finish
- We offer a variety of profiles to facilitate fixed screens and buildout

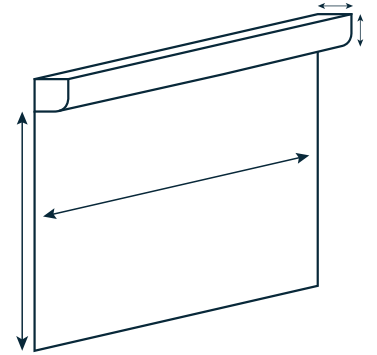

## HOUSINGS SIZES AND SPANS

### 5.5" HOUSING

- 5.5" housing can span up to 22' wide and 11' drop

### 7.7" HOUSING

- 7.7" housing can span up to 30' wide and 22' drop

## DENSITY COMPARISON

We have a variety of mesh densities and colours to meet your needs. For more details, please contact us.

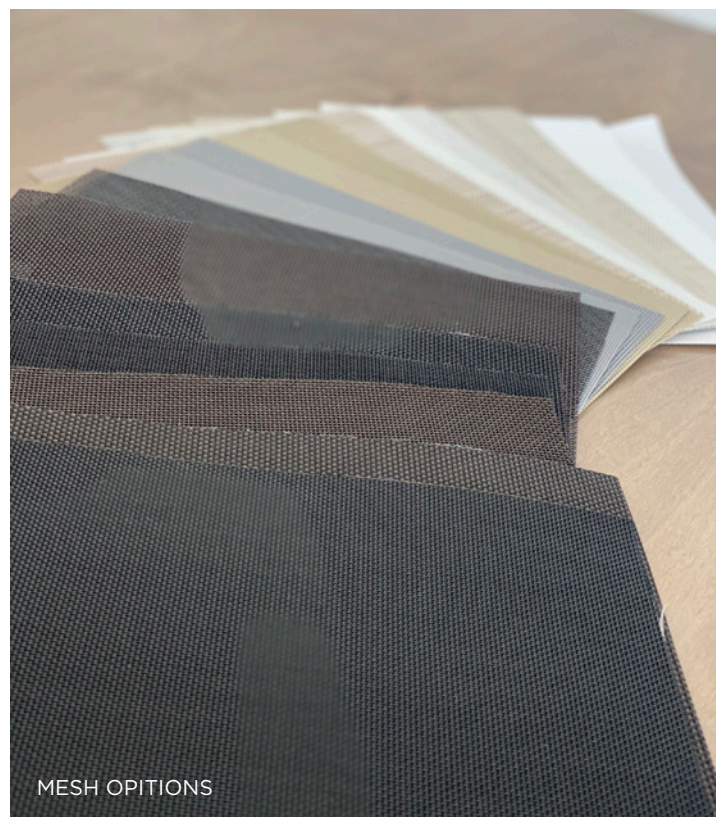

## RETRACTABLE VINYL

High quality vinyl creates an all season space.

# RETRACTABLE POWER SCREENS COMPONENTS
